

NATIONS REACH NETWORK

Gospel Through Media, Mercy and Mission

WHAT IS NATIONS REACH

GOD SAID, ASK OF ME AND I WILL GIVE YOU NATIONS, THIS IS THE TIME FOR US TO ASK GOD TO GIVE US NATIONS FOR HIS GLORY.

MEDIA we started our media work in 1989 in India. We produced several testimonial gospel video productions. These videos have been watched by the millions of people in India, where many people committed their lives to Jesus Christ. We committed to producing quality video gospel and media materials with redemptive messages for Indians living in India and around the world.

MERCY little Roses International is a Christ centered children's ministry division of Nations Reach ministries. This innovative venture is to help The poorest of the poor, found in the villages and streets of India. The aim of this project is to proclaim the love of Christ both in word And deed, and to see the caring Christian commitments established among the poorest of the poor children.

MISSION Reaching Indians in Sri Lanka, India, Bangladesh, Nepal, Pakistan, Singapore, and Malaysia with the gospel. Our vision is to also stand alongside local indigenous workers to build the kingdom of God through church planting, Evangelism and distribution of media materials.
